## **ST. HENRY HIGH SCHOOL**

## **STUDENT / PARENT HANDBOOK 2019-2020**

Updated 12/17/18

# **College Credit Plus Opportunities & Program Requirements**

## 1. COST

- There is no cost (tuition, books, fees, etc.) to students for participating in CC+ at an Ohio public university unless the student does not return his/her book to the college bookstore if it is a rental or to Mr. Rosenbeck if it is a new or used book. If choosing to attend a private institution, students may have to pay a fee.
- Students will pay for classes that they fail (unless economically disadvantaged).
- Students must arrange their own transportation to and from CC+ classes and may be subject to pay parking fines at the college.

## 2. COUNSELING

- Students and one parent must attend a counseling session about CC+ with the high school counselor. For St. Henry, this counseling session will be at the same time as the informational meeting. Partner colleges will also be in attendance if available.
- Students choosing CC+ must attend a counseling session with an advisor at the college (usually this is during orientation).

## 3. OPTIONS

- Students may take CC+ classes at the university, online, or at the high school (if available).
- Students may attend multiple colleges in one school year.
- To see the complete list of available CC+ courses, you can view the college course catalog online at each college/university.

## 4. DEADLINES

- Students choosing to participate in CC+ must complete, sign, and submit the "College Credit Plus Intent to Participate" form to Ms. Armstrong by April 1st. This includes classes students are taking at the high school.
- Students must complete and submit an application to the college by their specified deadline.

## 5. ADMISSION REQUIREMENTS

- Each college has its own standards for admission. The college application will list specific requirements. Students must complete an assessment exam and be determined "eligible" for College Credit Plus.

## CC+ and High School Credits

- CC+ students are permitted to earn a **maximum of 30 semester hours** (through any combination of courses between the high school and college) per year.
- All SHHS students are required to take the equivalent of 7 school periods per year. Online CC+ classes will count as one (1) class period. CC+ classes taken off campus will be given “drive” time.
- Students who are expelled from school are not eligible to receive credit for CC+ courses for the term of the expulsion.

### **Credit Hour Conversions:**

- Each 3 (or more) semester hour college course = 1 high school credit

### **Credit Hour Formula:**

- $30 - (\# \text{ of high school credits} \times 3) = \text{max \# of eligible college semester hours}$

### **EXAMPLE:**

If a student is taking 4 credit hours at the high school, he/she would be eligible to take up to 18 (total) semester hours at college that year.

$$30 - (4 \times 3) = 18$$

# CC+ Timeline & Responsibilities of the Student

## What should I do now?

*Use this as a checklist for CC+*

---

1. If you choose to participate in the CC+ program:
  - a. Complete the COLLEGE CREDIT PLUS INTENT TO PARTICIPATE form and return to Ms. Armstrong by April 1<sup>st</sup>.
  - b. Once accepted, attend any college orientations and take required placement tests.

  - c. Meet with a college advisor and select your classes for Fall term.
    - **Remember, your CC+ class schedule must work around your high school schedule.** You may not leave early (or arrive late) from your high school classes. If the drop date has passed, your high school schedule cannot be changed to accommodate your college classes.
  - d. **Bring Ms. Armstrong a copy of your college class schedule by August 7<sup>th</sup> for the fall semester and December 7<sup>th</sup> for the spring semester** so your college and high school schedules can be finalized and approved. Be sure it includes the days/times of the classes.
