A Publication of St. Henry Consolidated Local School District

Vol. XI No.1 August/September 2025

Smoke Signals

Mr. Adam Puthoff, Superintendent

As we wrap up this stage in the strategic planning process, we want to take a moment to reflect on the journey and express our sincere gratitude to everyone who contributed their time, ideas, and voices. Your input has been invaluable in shaping a roadmap that reflects the values and aspirations of our entire school community.

Thanks to the engagement of students, staff, parents, and community members, we have identified five core priorities that will guide our decisions and actions moving forward: **Student Success, Communication and Collaboration, School Pride, Community Engagement, and Fiscal Responsibility.**

These priorities are more than just words on paper, they are the foundation upon which we will build our future. Every initiative we undertake, every decision we make, and every goal we set will be filtered through these guiding principles. We are committed to being intentional in our actions, ensuring that we always keep **students at the center of everything we do.**

This is an exciting time for our district. With a clear vision and strong community support, we are well-positioned to continue growing, improving, and providing an exceptional educational experience for every student.

Thank you once again for being part of this process. Together, we will continue to make St. Henry Schools a source of pride and excellence.

GO SKINS!

From the Board of Education

Welcome Back to a New School Year at St. Henry!

I hope everyone enjoyed a relaxing and memorable summer filled with family time, vacations, and special moments. As we look ahead to the 2025-26 school year, I want to extend my sincere appreciation to our dedicated staff and administration. Their hard work over the summer has ensured our schools are ready to welcome students back with open arms.

A special thank you goes out to our summer cleaning crew which includes high school students. Their dedication and tireless efforts over the break have been outstanding. Thanks to their work, our facilities look great.

This summer, the school board completed a full tour of all our district buildings—including the high school, middle school, elementary school, and vocational agriculture shops. These visits are vital for staying informed about the condition of our facilities and evaluating the impact of our ongoing improvements. Our maintenance and custodial teams deserve immense credit for the pride they take in their work. Their commitment ensures that St. Henry remains a clean, safe, and welcoming environment for students and staff.

However, maintaining and upgrading our facilities is a continuous process. We are always looking for ways to improve, and we welcome input from the community. If you have ideas or suggestions, please don't hesitate to reach out to a board member or a member of the administrative team.

Our students also gave us many reasons to celebrate this summer. Congratulations to the ACME varsity baseball team on winning their first-ever state title, and to the Jr. ACME team for their impressive runner-up finish! We also commend our athletes and teams who competed at the state track meet and wrapped up strong baseball and softball seasons. As football, cross country, volleyball, and golf seasons approach, we look forward to even more exciting accomplishments.

While we celebrate wins on the field, it's the character of our students and supporting parents/fans that makes us most proud. Multiple St. Henry youth baseball teams received the Paul Homan Sportsmanship Award at the Minster Classic tournament - a testament to the values our coaches and community instill. With so many schools in attendance, these recognitions speak volumes about our students' respect, integrity, and pride. This is the spirit that defines St. Henry - both in athletics and academics.

We also continue to navigate important changes at the state level. I'm especially grateful to Jenn Bruns and Adam Puthoff for their leadership and commitment to ensuring St. Henry remains in a strong financial position. Jenn's efforts to keep our district informed and well-prepared are deeply appreciated.

Thank you all for your continued support. Here's to a successful and inspiring 2025-26 school year!

Student Drop off and Pickup Procedures

Elementary

- **Parents**, please drop off and pick up your children on E. Columbus Street on the north side of the street along the curb in front of school. Please **do not** have your children cross E. Columbus Street, except at the intersection where we have a crossing guard on duty.
- **Do not** attempt to pick up your child on the north side of the elementary building; this is the bus zone for drop off and pick up.

Middle School/High School

- Parents, please **do not** use the northwest entrance to the middle school parking lot (west wing) as a drop off or pick up location for your child(ren). This area is for bus drop off/pick up and staff parking.
- Use the south parking lot along E. Columbus Street to drop off or pick up your child(ren).

First Day of School

Tuesday, August 19, is the first day of school. It will be a full day and will follow a normal schedule. The only exceptions are preschool and kindergarten. Parents of preschoolers and kindergartners should refer to their parent letters that were mailed in June.

Book Fees

Students of our school district are assessed a fee each fall for workbooks, supplementary reading materials, booklets, art supplies, writing paper, pencils, and consumable science supplies. The following prices were established by the Board of Education at the July board meeting:

Grades K-4	\$50
Grades 5-8	\$45

Grades 9 - 12 \$60 Chromebook Fee
(to be paid upon pick-up of Chromebook)
Grades 9 - 12 Varies*

*High school class fees vary depending on the class schedule(s) of student(s); as a result, high school book/class fees will be administered roughly one month after school starts to ensure all schedules are set and students are no longer adding/dropping classes.

High School Parents/Guardians should expect to see a bill for book/class fees around the end of September.

New School Calendar

All school district residents should have received a calendar for the 2025-2026 school year in early August. If any resident has not received one, please notify the school at (419) 678-4834 ext. 2201.

Notifying School of Absences

The school would like to remind parents of the regulations regarding student absences.

If a student will be absent for all or part of a day, the parent is responsible for calling the school each day by 8:15 a.m. stating the name of the absent student and the reason for the absence.

Calls can be made by dialing (419) 678-4834. You may report absences, leave a message for a staff member, etc. If parents have not called by 8:15 a.m., a call will be made from the school to the student's home inquiring about the absence.

Parent(s)/Guardian(s) in any home that does not have a telephone may provide a signed note to the principal delivered before school starts by any member of the family or a student from the neighborhood.

7th Grade Students

All incoming 7th graders are required to have the Tdap and Meningococcal vaccinations. Please send a copy of records to the middle school office or have records faxed to St. Henry Middle School at (419) 678-1724.

High School Information

One-to-One Program

St. Henry High School students are reminded that they will have a Chromebook as part of St. Henry High School's One-to-One Program. Students will need to bring in **\$60** to receive a Chromebook. In addition, all freshmen and new students will be receiving a cover for their Chromebook(s) to help protect their devices from future damage during the course of their high school career(s). These covers are vital in helping to protect Chromebooks from being damaged.

Students and Parents/Guardians will sign the One-to-One Acceptable Use Policy on FinalForms upon initial reception of their device; these agreements will be kept throughout the entirety of students' careers while attending St. Henry High School. For details and answers to FAQs concerning the One-to-One Acceptable Use Policy, please go to FinalForms under Acceptable Use Policy, One-to-One Laptop Acceptable Use.

Attention: High School Drivers

All students driving to school are encouraged to park in the student parking lot located on the north side of the high school. Please access this lot from Main Street. Under no circumstances should students park behind buses in the student parking lot nor should they ever drive between the opening in the fence between the high school and the ag building. Students are not permitted to park in the "St. Henry U" on Columbus Street. All students driving to

school are required to have a parking permit displayed on the rear-view mirror. Plastic hanging permits must be purchased for \$1.00. One permit may be used for several vehicles, as long as that vehicle is registered with the high school office. New permits and registration forms for the 2025-26 school year may be purchased when picking up student schedules and throughout the school year as students earn their driver's license.

Violation of student parking rules, including not parking in a designated parking spot or not having a parking permit, may result in the loss of driving privileges.

GUIDANCE NEWS

Mrs. Julie Overman

Wow - summer always flies by! I hope you all had a chance to relax and recharge. As we gear up for the new school year, I'm excited to share that our school will be using **SchooLinks**, a comprehensive platform designed to help students in grades 9-12 plan for college, careers, and life after high school. SchooLinks provides tools for exploring career interests, researching colleges, managing applications, scholarships, building résumés, and requesting transcripts - all in one place.

In addition to academic and career planning, SchooLinks also supports **social-emotional learning (SEL)** by offering activities and resources that help students build confidence, develop life skills, and set personal goals. This well-rounded support ensures that students are not only prepared academically, but also emotionally equipped for life beyond high school.

I'll be working closely with students throughout the year to help them get the most out of SchooLinks. I also encourage parents to stay involved and talk about what they're doing on SchooLinks. More information will be shared with the students the first week of school. I look forward to a fantastic year of purpose, planning, and progress!

News from the bus stop

Ms. Lori Schwieterman

Bus routes are in the final stages of preparation. You should receive an email regarding your child's route sometime in mid-August. If you have not received the information by Friday, August 15, please let us know. Please email me at schwieterman.lori@sthenryschools.org or call (419) 678-4834 ext. 2101 with any changes or concerns.

REMINDER: Students need to be at the bus stop 5 minutes before the bus is scheduled to arrive.

Parents: Again, like last year, we ask you to please refrain from sending your child home with a friend on a bus they do not typically ride. In the past this has created an overcrowding problem on our buses, and we need to avoid this situation. Special circumstances will be considered with a note to the office. Thank you!

Census Information

Are you new to the area or have you moved from one home to another in the St. Henry School district? If yes, please call the Census Officer, Sherri Ranly, at (419) 678-4834, ext. 2101. The accuracy of this information helps St. Henry Schools predict future enrollment forecasts. We need accurate projections to plan for efficient staffing, supplies and materials moving forward.

Café Terminal 2025/26:

Payments to lunch accounts can be made **via check to St. Henry Schools, cash, ACH payment (direct debit from checking account) with a fee of \$1.75 regardless of transaction, or online through the PaySchoolsCentral website. If using a credit card there is a convenience fee assessed as follows: \$1.65 flat fee for transactions \$0-\$24.99, \$2.00 flat fee for transactions \$25.00-\$49.99, and 4.5% fee for transactions \$50 and more.**

Payments need to be separated! Children in grades K-4 can be paid with one check and children in grades 5-12 need to be paid with another. Please be sure to write each child's name, PIN#, and the amount of money you wish to be placed in each child's account.

Payment by check, ACH payment, or credit card is preferred as this provides the best documentation for any payment.

No money will be taken through the lunch line!

Parents are encouraged to begin putting money in their child(ren)'s lunch account prior to the start of the school year.

Lunch Account Balances

Lunch Prices are as follows: Lunch – grade (K-8) - \$2.20, grades (9-12) - \$2.30, Milk - \$.40. Students in grades 5-12 will have the option of purchasing an extra sandwich (\$1.10), an extra vegetable/potato (\$.55), an extra fruit (\$.55), and an extra item (smart snack items) for (\$.50 or \$.75)

Please monitor your child's lunch account balance on a regular basis. Low balance letters are emailed weekly for accounts with a balance under \$5.00. **Students with a negative balance over \$20.00 will not be able to purchase any extra items in the cafeteria.** Lunch account balances and transaction history are available for review at www.payschoolscentral.com.

Families are encouraged to fill out free/reduced lunch forms if they feel they would qualify as this assists in receiving a waiver for book fees and assists the district in receiving other federal grant money.

CHECK LUNCH BALANCE ON-LINE - (using PaySchools Central link)

- Go to our school's website at <http://sthenryschools.org>
- Click on the "Lunch Information" link under 'Parent Links'
- Click on the blue 'Manage Lunch Accounts' box

Athletic Schedules/Updates

If you would like to receive weekly athletic schedules by email, please contact Dennis Wendel at wendel.dennis@sthenryschools.org. Additional athletic updates – including ticket information, HUDL changes, and more – are also shared as needed with those on the schedule email list.

HUDL Streaming Information for 2025-26

HUDL has made several updates regarding how you can view St. Henry athletic events.

There are two types of passes available for purchase:

St. Henry Pass: monthly pass, \$25; annual pass, \$100; this grants access to all St. Henry HOME games only, away games are not included, but if the opposing team uses HUDL, you can purchase a 24 hour pass for a fee determined by the host school.

MAC (Midwest Athletic Conference) Pass: monthly pass, \$40, annual pass, \$150; includes access to ALL games at ALL MAC venues, including St. Henry away games in MAC facilities that have a HUDL camera (some schools do not have cameras in their small/secondary gyms). You can watch any game played at a MAC school – St. Henry does not need to be one of the teams participating. If you purchase a MAC pass, please do NOT purchase a separate St. Henry pass since St. Henry home games are already included.

Please note: Any subscription you had last year will not auto-renew. You will need to purchase a new pass for this school year.

HUDL Streaming Details

We do our best to navigate technical issues for the platform, but please understand that:

- HUDL is an external service provider and has full control over the cameras and streaming platform
- St. Henry Schools does not directly handle the streaming or technical issues
- Subscription payments go to HUDL. While the school receives a percentage of the sales, last year's revenue did not cover the cost to the athletic department to provide the service
- This is not a profit-making venture for the athletic department – it is a service intended to help families and fans access games they might not otherwise be able to attend

Last year was HUDL's first year offering this service. We hope that many of the initial technical issues have been resolved, but again, we have limited control over their platform. If you have any questions, please feel to reach out.
