Dear Parents and Guardians,

Since St Henry Consolidated Local Schools participates in the National School Lunch Program, we received notification that we are eligible to offer FREE lunch meals to ALL STUDENTS in kindergarten through grade 12, regardless of qualifying free/reduced status.

This is notification that the federal grant has been expanded until the end of the school year. This is possible due to a federal grant from the USDA; local tax money is not being used for this program.

As a reminder, in order to receive this free lunch, a complete meal must be purchased consisting of a tray with 3 of the 5 meal components offered. Any items purchased as extras or ala carte will still be charged to the student's lunch account balance. Money that is in the student's account will remain there for these extra purchases. If your child already receives free meals, you won't notice any difference. Please routinely check your child's lunch balance to pay for the extra items your child may be eating.

If you have any questions about this program, please feel free to call the Central Office at 419-678-4834.

Sincerely,

Julie Garke
Superintendent
