Member Congregations of The Pastoral Counseling Center's Covenant Society

To encourage our members' wellness of mind, heart and soul, our congregation is in a covenant relationship with the Pastoral Counseling Center with the Department of Pastoral Care and Counseling of Miami Valley Hospital. We are part of the Covenant Society for Pastoral Counseling - over ninety member congregations are in this ministry of care.

The counseling services provided at the Pastoral Counseling Center are an extension of our congregation's pastoral ministry and, of course, strictly confidential. It is a ministry of relationship in helping move through a crisis or transition for:

- You...when life seems too difficult
- Your family...when communication is failing and you don't know what to do
- Your children...when you feel you may be too close to them to talk
- Anytime...you feel you need help

Our congregation, therefore, has a caring team of professionally trained counselors available to you.

Highlights of this pastoral counseling service include:

- Individuals call directly for appointments and inquiries and are usually able to be seen within a week's time. The phone number is 937-208-6606.
- Conveniently located at two locations at:
 - In Dayton: 409 East Monument Avenue; immediately adjacent to 5th/3rd Field. More than ample free parking.
 - In Maria Stein: At the North end of the Maria Stein Spiritual Center at 2365 St. Johns Road.
- Honors the faith journey and personal resources of the individual.
- Promotes wholeness in moving toward wellness and healing with personal difficulties.
- 50% fee reduction. No limit to number of sessions. No need for pre-authorization.
- \$110 is the full fee for a 50-minute session for individual, marital, relationship or family counseling. Our Covenant Society congregation members are charged \$55.
- In lieu of participating in managed care or insurance panels our Covenant Society membership provides us with an *assurance policy* with a *preferred provider* in the Pastoral Counseling Center.
- The counseling staff will assist the individual with referral to other appropriate counseling resources as needed based on level of care or choice to use insurance benefits.
- After hours support is available.
- The Pastoral Counseling Center's essential commitment is in providing and assisting our members in getting the quality care they are seeking.
- The Pastoral Counseling Center is accredited by the American Association of Pastoral Counselors. All staff members are duly licensed professional counselors with the State of Ohio.
- Pastoral, educational, training, enrichment and leadership workshops/retreats are also available to our congregation.
