Complete the application by typing an answer to one (1) of the following questions and attaching it to the application. Please include the essay question with your answer: Answers should range from 2-3 pages double spaced.

1. Explain the most important lesson you have learned in playing football at St. Henry and how you plan to use that lesson to help you reach your professional/career goal.
2. Explain the most defining moment in your high school career and how you plan to use what you learned about yourself in that moment to help reach your professional/career goal.
3. Playing football at St. Henry is a special experience. When did you first realize that St. Henry is a unique situation, and when you reflect on your career, how was your particular playing experience memorable?
