## ESSAY

In 1919, the American Legion was founded on four pillars. Pillar IV is Children & Youth. What role(s) and/or responsibilities do you feel children & youth play in today's world in shaping the future of America? How is this different from children and youth in the past? What have you done or what are your future plans to make a difference in today's world? What values have been instilled in you by a Veteran and how do you perceive yourself passing these on to future generations? You do not have to answer each one if length is a concern.

**Your essay must be typed, double-spaced using a 12 font with a one page limit.** Please submit it on a separate piece of paper. Please do not put your name on the page with the essay. Your essay will be disqualified if these rules are not followed. The essay must be applicant's own work. All entries become the property of the St. Henry American Legion.

I give permission to the St. Henry American Legion Post 648 to release appropriate publicity.
